### **DOGS ELIGIBLE TO ENTER**

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used it includes both sexes. Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under four months of age are strictly prohibited from trial grounds.

### **COURSE WALK-THROUGHS INFORMATION**

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. A warm-up area, consisting of one regulation agility jump for each ring, may be provided for exhibitors. Warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

### **RINGSIDE**

Dogs may arrive any time prior to judging if dog has valid temporary or permanent jump height card. Otherwise, dogs must be available for measuring prior to start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused. Judges are not required to wait for dogs. Owner/handler of each dog is solely responsible for having it ready at ringside when it is to be judged. **IWSCA** has no responsibility for providing service through public address system or stewards or runners for purpose of calling or locating dogs that are not brought into ring when required. The club agrees to arbitrate claims as set forth on Official AKC Entry Form.

## MEASURING and HEIGHT CARD INFORMATION.

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

### NEW Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in. For more information please visit [http://www.akc.org/events/agility/jump\\_height\\_card.cfm](http://www.akc.org/events/agility/jump_height_card.cfm)

Any exhibitor whose dogs and/or children create unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of event committee, be asked to leave show site. In such case, no refund of any fees paid will be made. **IWSCA, Feel The Rush Agility Trial Secretary Services** and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. **IWSCA** reserves the right to decline entries for cause and may remove any dog on account of aggression. ## Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and

Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

## For Exhibition Only (FEO)

For Exhibition Only Chapter 1, Section 21. New last paragraph. For Exhibition Only. (This is a pilot program) At the option of the club, a handler may choose to change their FAST or Time2Beat entry into a For Exhibition Only (FEO) run. The handler must notify the scribe and the judge as they enter the ring prior to the start of the run that they are doing an FEO run. The scribe sheet shall be marked “FEO”, no time “NT”, and “E” for an excused, non-qualifying run. Allowing FEO runs is at the option of the club. It must be stated in the premium and any pre-trial publications. Chapter 5. This is a new section. Section 7. For Exhibition Only. (This is a pilot program) For Exhibition Only (FEO) runs are allowed in FAST and Time2Beat classes at the option of the club. It must be stated in the premium and any pre-trial publications. If a team is running FEO, the handler may not use more than the standard course time for the chosen class. Time will be started by the Timer as soon as the handler starts their lead out. If the handler has not told the scribe and the judge prior to the start of the run that it is an FEO run, the judge will judge the run as a scored run and all regulations are in effect. In this case the judge will excuse the team for training in the ring as described in Chapter 4, Section 6. When running FEO, the handler may use a toy to reward the dog. At no time may the toy leave the handler’s possession or be thrown, or they will be excused from the ring. No food, no toys that make noise and no balls that can roll away may be used. The handler may train any piece of equipment as many times as they would like. Handlers may touch equipment during the FEO run, which includes resetting the bars. The judge shall not judge the dog’s run but will watch the run to ensure that the handler is not using harsh commands or corrections and that the run is being done safely. The judge will immediately whistle to excuse the team from the ring for any of these infractions. During FEO runs, dogs may be excused or disqualified for menacing or aggressive behavior as in Chapter 1, Section 23. The judge and ring crew must remain in the ring during an FEO run.

## Fix and Go On

Fix and Go On Chapter 5. This is a new section. Section 8. Fix and Go On. (This is a pilot program) At any time during a run the handler may immediately fix a single obstacle one time. The action shall be judged as an elimination, which shall be marked as an "E" on the scribe sheet, resulting in a non-qualifying score (NQ). The handler may go back a few obstacles prior to the fix. If a jump bar (bar jump or single bar jump) is knocked, the handler may reset it, but the reset is limited to one jump bar. The dog may not be verbally or physically corrected for the error. Weave poles may be immediately re-attempted three times, but if the dog is brought back to obstacles prior to the weave poles, it will be considered the one-time Fix and Go On attempt. Once handlers have used the one-time Fix and Go On option, they must immediately finish the course or exit the ring. The judge shall not judge the dog's run after the fix but will continue to watch the run to ensure that the handler is going on to complete the course correctly, is not using harsh commands or corrections and that the run is being done safely. The judge will immediately whistle to excuse the team from the ring for any of these infractions.
